**Subject:** Retreat Follow-up  
[EFED focus areas FY17.pdf](#)  
[EFED all hands May 2017.pptx](#)

Following up on our discussion today, here is the powerpoint from the retreat with an initial visualization of our values. I would like us to work on a poster-like description of these values. The next steps are to pull out the synthesis from the retreat to put some words around the graphic. My thought is a poster that we could have made and put up in the conference rooms. Also, here is the FY17 priorities that was mentioned at today's meeting.

Regards,

Marietta
